Application for Nonsuch Regional Event Grant - 2021

This grant is to support regional meet-ups during this year where, for example, a larger room needs to be hired to allow for safe social distancing. Grants will be awarded for an amount of up to £50 to £100, depending upon the event. They will not be for a set amount but rather a guarantee against loss. Participants will be expected to pay a reasonable fee to attend the event. The event organiser must be a Nonsuch member, but attendees at the event do not necessarily need to belong to the club. Please see our website for more details, or contact Hilary Davies (hilary@dulcimer.org.uk).
